

# My Past, Present and Future Timeline

In the speech bubbles, add a Big Event in your life!

You can add any significant moments in your past, present or even your future. It's really up to you!

You can write, draw or add photographs and pictures.

Feel free to use different colours or decorate your timeline however you think best. If you like, maybe you can stick your big events on a A3 sheet of paper, tape a pen or pencil halfway along the short sides, roll the page up and create a scroll.

If you don't have a printer, don't worry - you can draw your own shapes, get creative and have fun with your own ideas
